

MED+SAVE provides you with savings on the select generic medications. With **MED+SAVE** you will receive savings on:

- Preferred generic drugs at \$4 for a 30-day supply* and \$10 for a 90-day supply*
- All other generic and brand-name prescriptions
- Select antibiotic and diabetes medications
- Immunizations
- Human-equivalent pet medications with prescription

*The day supply is based upon the average dispensing patterns for the specific drug and strength. The Program, as well as the prices and the list of covered drugs, can be modified at any time without notice.

Please visit <https://www.shopfamilyfare.com/family-fare-pharmacy> for a list of preferred generics.

Disclosures: This discount program is **NOT** health insurance and is not intended as a substitute for insurance. The program does not qualify as minimum creditable coverage under Massachusetts law or where prohibited by law. The program only provides for discounts on certain prescription medications and from participating pharmacies, and the range of discounts will vary depending on the pharmacy and the medication received. The program does not make payments to pharmacies. Members are required to pay for all prescription purchases, but will receive a discount from participating pharmacies. Prescriptions paid for in whole or in part by publicly funded health care programs, such as Medicare and Medicaid, are ineligible. Membership discounts cannot be combined with any insurance. This program is administered by Medical Security Card Company (MSC), LLC, 4911 E. Broadway Boulevard, Tucson, AZ 85711, 1-800-700-3957, www.scriptsav.com and is marketed by your participating pharmacy and its affiliates. The program is not available in all states. The program is governed by the terms and conditions outlined here. Administrator is not responsible for providing or guaranteeing service or for the quality of service rendered. Participating pharmacies are subject to change without notice and are not available in all areas. This contract is not protected by any state guaranty fund. Drug pricing may be higher in the states of MI and WI.
